MR. BROSOFSKI

We, the yearbook staff and students of Swan Valley School District, wish to dedicate this our 1970 Panther yearbook to Mr. Edward Brosofski, Principal of Shields Junior High School.

Mr. Brosofski has taught in our school system for three years and was appointed Principal during the 1966 school year. Mr. Brosofski has contributed generously of his time and efforts to the students of the junior high and the community. His wisdom and understanding of the problems that our junior high children have today has greatly influenced many young people.

We wish Mr. Brosofski the best of luck in the field of education and we hope he will remain with our Swan Valley School District for many years.
